*Our Declaration of Condominium and By-Laws were amended to meet the requirement for an exemption from the Fair Housing Amendment Act of 1988. The exemption is needed to provide housing for older persons.*

*One of the terms of the exemption required eighty percent (80%) of the units to have at least ONE permanent occupant 55 years of age or older. According to HUD, the Association MUST verify and keep records on file to prove that the age requirements for the exemption are met on a continuing basis. The purpose of this form is to provide that proof.*
