GUEST REGISTRATION

WITH OWNER IN RESIDENCE

Any guest who resides in a unit for more than 30 days while the owner is in residence, must fill out a guest registration form on the 30th day, notating their expected departure date.

WITHOUT OWNER IN RESIDENCE

An owner who will allow guests to stay in his/her unit while the owner is not in residence at the unit, must fill out a guest registration form PRIOR to the arrival of the guest(s). This occupancy is limited to 21 days. If the guest, with owner's permission, extends their stay past 21 days, they will be subject to the review and approval process which applies to all residents. The guests will be required to pay the \$150 per adult screening fee and the Association will conduct a background check of the guest. If approved, guest occupancy may be extended an additional three weeks. In no event will guest occupancy for longer than six continuous weeks be permitted. Any guest will be required to vacate the unit at the end of the six-week period.
