decision has been made by an Appraiser appointed by the Senior Judge of the Circuit Court in and for Pinellas County, Florida, upon ten (10) days notice of petition of any party in interest. The expense of appraisal shall be paid by the Seller or the legal representative of the Seller out of the Amount realized from the sale of such condominium parcel.

In the event the then members of the Association do not exercise the privilege of purchasing said condominium parcel within such period and upon such terms, the person or persons so designated may then, and only in such event, take title to the condominium parcel; or such person or persons or the legal representative of the Seller may sell the said condominium parcel, but the sale shall be subject in all other respects to the provisions of this enabling Declaration, and the By-Laws of the Association.

(b) **RENTAL OR LEASE:** A condominium parcel shall not be leased or rented without the prior written approval of the Association, and the terms and conditions of said Lease are subject to the approval of the Board of Directors of the Association. The Board of Directors shall have the right to require that a substantially uniform form of Lease be used.

A. No rental shall be approved by the Board of Directors of the Association for a period of less than six (6) consecutive months and one (1) day.

B. The number of rentals allowed at any one time period shall be no more than 10% (5) of the total 52 units. Present rentals shall be exempt from inclusion until such time as there is a break in their lease agreement, or the unit changes ownership.

In the event the Board of Directors approves a rental or lease, such approval of a lease or rental shall not release the member from any obligation under this Declaration. Any such lease or rental shall be terminated upon the conveyance of a member's membership and interest in a condominium parcel or upon the death of the Lessee.

(c) **CORPORATE PURCHASER:** If the purchaser or Lessee is a corporation, the approval may be conditioned upon the approval by the Association of all occupants of the condominium parcel.

(d) **TRANSFER; MORTGAGEE-DEVELOPER:** Notwithstanding anything to the contrary herein, the provisions of this Paragraph 18 shall not be applicable to transfer to mortgagees, whether in foreclosure or by judicial sale, or by a voluntary conveyance in lieu of foreclosure, whereby such mortgagee becomes an owner, nor to the Developer until after the Developer has initially conveyed or disposed of all interests in the property, nor to any sale or lease by such mortgagee.

(e) **MORTGAGE:** No parcel owner may mortgage his parcel or interest therein without the approval of the Association, except to a bank, life insurance company or federal savings and loan association. The approval of any other mortgagee may be upon conditions determined by the Association or may be arbitrarily withheld.

19. **RESTRAINT UPON SEPARATION AND PARTITION:** Any transfer of a condominium parcel must include all elements thereof as aforescribed, and appurtenances thereto, whether or not specifically described, including, but not limited to, the condominium parcel owner's share in the common elements and his Association membership.

20. **OBLIGATIONS OF MEMBERS:** In addition to other obligations and duties heretofore set out in this Declaration every condominium parcel owner shall:

(a) Not use or permit the use of his unit for any purpose other than as a single family residence and maintain his unit in a clean and sanitary manner.

(b) Not permit or suffer anything to be done or kept in his unit which will increase the insurance rates on his unit or the common elements, or which will obstruct the rights or interfere with the rights of other members or annoy them by unreasonable noises or otherwise; nor shall a member commit or permit any nuisance, immoral or illegal act in his unit or on the common elements.

(c) Conform to and abide by the By-Laws and uniform rules and regulations in regard to the use of the units and the common elements, which may be adopted in writing from time to time by the Board of Directors of the Association and to see that all persons using owner's property, by, through or under him, do likewise.

(d) Allow the Board of Directors or the agents and employees of the Association to enter any unit for the purpose of maintenance, inspection, repair, replacement of the improvements within the units or the common elements, or in the case of emergency threatening units or the common elements, or to determine compliance with these restrictions, reservations, covenants, conditions and easements and By-Laws of the Association.

(e) Show no sign, advertisement or notice of any type on the common elements or his unit and erect no exterior antennas and aerials, except as provided by uniform regulations promulgated by the Association, and there shall be no "for sale" sign in any form or size placed inside or outside the windows of the unit or attached to the curtains or Venetian blinds or any other part of the condominium unit inside or outside.

(f) Not to allow any children under eighteen (18) years of age to reside on the premises except as permitted by the regulations established by the Association; provided that visitation rights of the children eighteen (18) years of age or under shall be permitted from time to time under the regulations established and promulgated by the Association.

(1) After the effective date of this amendment, at least 80% of all occupied units must be occupied by at least one person 55 years of age or older. Hereafter, no unit shall be sold or leased to any person or persons under the age of 55 unless the unit is to be occupied by at least one person over 55 IN ACCORDANCE WITH SECTION 807 OF THE FAIR HOUSING AMENDMENT ACT OF 1988.

Persons under the age of fifty-five (55) and more than eighteen (18) years of age may occupy and reside in a unit as long as at least one permanent occupant is fifty-five (55) years of age or older. Notwithstanding the language contained above, no person under the age of eighteen (18) shall be allowed to permanently reside in or occupy a residence.

The Board of Directors shall promulgate, from time to time, such rules, regulations and procedures as are necessary to insure continuing compliance with this restriction and consistent with an intent to comply with Section 807 of the Fair Housing Amendments Act of 1988.

The Board of Directors shall have the authority to provide facilities or services specifically designed to meet the requirements of the Fair Housing Amendments Acts of 1988.

It is the intent of this amendment to provide housing for persons aged 55 or older. However, this Board of Directors shall have the right to accept occupancy of up to 20% of the units by persons such as a surviving spouse or other relatives of a deceased owner or other persons IN ACCORDANCE WITH SECTION 807 OF THE FAIR HOUSING AMENDMENT ACT OF 1988.

This restriction shall not apply to any person residing in a unit at the time this restriction was approved by the members of the Association.

(g) Not to make or cause any structural alteration to or in the building, specifically including, but not limited to screening, or enclosure of private balconies, except hurricane shutters and screen doors. Written application, specifications, color, design, and make to be approved by the Association for any named exceptions in this clause. Removal of any additions or improvements or fixtures from the building, or any act that will impair the structural soundness of the building is prohibited.

(h) Make no repairs to any plumbing or electrical wiring within a unit except by licensed plumbing or electricians authorized to do such work by the Board of Directors or the Association or its agent. Plumbing and electrical repairs within a unit shall be paid for and be the financial obligation of the owners of the unit, whereas the Association or its agents shall pay for and be responsible for repairs and electrical wiring within the common elements.

(i) Parking shall be limited to passenger automobiles. Passenger automobiles, which include station wagons, vans, light pick-up trucks and sport utility vehicles, and motorcycles which are used as the sole means of transportation, may be parked on the property. Except as provided for in this Section 20.(i), no other trucks, commercial vehicles, boats, trailers, campers, golf carts, mobile or motor homes, motorcycles, or any other types of vehicles larger than a passenger automobile will be permitted to be parked on Condominium Property and any such vehicle may be removed by the Association at the expense of the owner of the vehicle. Commercial vehicles will be permitted to temporarily park in guest spaces while providing a service or delivery to a unit, or to provide service or delivery to the Association. Washing of passenger automobiles shall not be allowed on the premises.

(j) Not allow or permit to display laundry or clothing on the porches of the condominium units or anywhere within the said units which would be visible from the outside of the units.

(k) All persons must be suitably attired while on or about the premises.

(l) Not be permitted to mechanically make any adjustments whatsoever with reference to any of the equipment found in the meter room, boiler room or washer and drier room.

(m) Not mechanically adjust or repair the television antenna or amplifier.

(n) Not be permitted to water lawn, plants or the shrubbery.

(o) Not to permit or allow any dogs or cats to walk upon the outside premises of the condominium unless the same be within the confines of the walk areas as are provided and designated as a pet walking area or areas.

(p) Beginning with the date of recording of this amendment March 5, 2008), no new or visiting pets of any kind will be permitted to be brought into a unit or onto any portion of the Condominium Property by any owner, family member, guest, invitee or lessee.

21. **TERMINATION:** The condominium may be terminated in the following manner:

(a) **AGREEMENT:** The termination of the condominium may be affected by unanimous agreement of the condominium parcel owners and mortgagees holding mortgages on said units, which agreement shall be evidenced by an instrument or instruments executed in the manner provided for conveyance of land. The termination shall become effective when such agreement has been recorded in the public records of Pinellas County, Florida.

22. **COVENANTS:** All provisions of the Declaration shall be construed to be covenants running with the land and with every part thereof and interest therein, and every unit owner and claimant of the land or any part thereof or interest therein, and his heirs, executors, administrators, successors and assigns shall be bound by all of the provisions of the Declaration.

23 **INVALIDATION AND OPERATION:** Invalidation of any portion of the Declaration or of any provision contained in a conveyance of a condominium parcel whether by judgment or court order or law shall in no wise affect any of the other provisions which shall remain in full force and effect.

(a) Whereas and whenever subjects are silent in the Declaration of Condominium or By-Laws, the current Florida Statute 718, and any amendments hereafter, as promulgated from time to time, shall govern the Association.

In the event any court should hereafter determine that any provision as originally drafted herein violated the rule against perpetuities or any other rule of law because of the duration of the period involved, the period specified in the Declaration shall not thereby become invalid, but instead shall be reduced to the maximum period allowed under such rule of law and for such purpose measuring lives shall be those of the incorporators of the Association.

24. **INTERPRETATION:** Whenever the contest so requires, the use of any gender shall be deemed to include all genders, and the use of the plural shall include the singular, and the singular shall include the plural. The provisions of this Declaration shall be literally construed to effectuate its purpose of creating a uniform plan for the operation of a condominium in accordance with the laws made and provided for same, to-wit, Chapter 63-35, Acts of the Legislature of the State of Florida.

25. If the Board of Directors of the Association enters into agreements and contracts with Master Association for the operation, maintenance and management of the condominium property, such agreements and contracts cannot be terminated without the affirmative vote of two-thirds (2/3) of the total voting interests of the Association.

MISCELLANEOUS COVENANTS

1. **COVERED PARKING SPACES:** The owner of each unit that has acquired or has been designated a parking space which is sheltered or covered in some manner shall be responsible for the insurance, maintenance and upkeep of said covered shelter.

(a) The Board of Directors shall have the authority to assess, coordinate and/or appoint a committee of carport owners for carport maintenance and repair.

2. **AUTOMOBILE PARKING SPACE:** The right to use for automobile parking only; the parking space may from time to time be attributed by the Board of Directors of the Association to a unit, which attribution shall not be recorded among the public records. Any portion of the condominium property may be designated for parking spaces by the Board of Directors, which shall include, if necessary, the condominium property within the common elements which have or are landscaped if the corporate sovereign having jurisdiction over said property required pursuant to zoning ordinances additional parking area with reference to the number of units within the condominium complex, except that the Board of Directors of the Association shall not have the authority to designate or relocate a covered parking space or area which has been designated for use to an owner by the Developer without first obtaining the written consent of the owner to whom said parking space has been assigned. The Board of Directors may from time to time, should they determine there be a need, change the parking space attributed to the units provided that a unit always has a parking space. This provision is made in contemplation of the fact that from time to time one or more unit owners may be under a physical disability which would require the attribution of a parking space more convenient to his unit and to give the Association the power and flexibility to deal with such situation.

3. **INSURANCE:**

(a) **LOSS LESS THAN "VERY SUBSTANTIAL":**

Where a loss or damage occurs to more than one unit, or to the common elements, or to any unit or units and the common elements, but said loss is less than "very substantial" (as hereinafter defined), it shall be obligatory upon the Association and the unit owners to repair, restore, and rebuild the damage caused by said loss. Where such loss or damage is less than "very substantial":

(1) The Board of Directors of the Association shall promptly obtain reliable and detailed estimates of the cost of repairing and restoration.

(2) If the damage or loss is limited to the common elements, with no, or minimum, damage or loss to any individual units, and if such damage or loss to the common elements is less than \$3,000.00, the insurance proceeds shall be endorsed over to the Association, and the Association shall promptly contract for the repair and restoration of the damage.

(3) If the damage or loss involves individual units encumbered by institutional first mortgages, as well as the common elements, or if the damage is limited to the common elements alone, but is in excess of \$3,000.00, the insurance proceeds shall be disbursed to the Association for the repair and restoration of the property upon the written direction and approval of the Association, and provided, however, that upon the request of an institutional first mortgagee, the written approval shall also be required of the institutional first mortgagee owning and holding the first mortgage encumbering a condominium unit, so long as it owns and holds any mortgage encumbering a condominium unit. At such time as the aforesaid institutional first mortgage is not the holder of a mortgage on a unit, then this right of approval and designation shall pass to the institutional first mortgagee having the highest dollar indebtedness on units in the condominium property. Should written approval be required, as aforesaid, it shall be said mortgagee's duty to give written notice thereof to the insurance company. The insurance company may rely upon the certificate of the Association and the aforesaid institutional first mortgagee, if said institutional first mortgagee's written approval is required; as to the payee and the amount to be paid from said proceeds. All payees shall deliver paid bills and waivers of mechanics' Liens to the Association, and execute any affidavit required by laws or by the Association, the aforesaid institutional first mortgagee.

(4) Subject to the foregoing, the board of Directors shall have the right and obligation to negotiate and contract for the repairs and restoration of the premises.

(5) If the net proceeds of the insurance are insufficient to pay for the estimated cost of restoration and repair (or for the actual cost thereof, if the work has actually been done), the Association shall promptly, upon determination of the deficiency, levy a special assessment against all unit owners in proportion to the unit owners' share in the common elements, for that portion of the deficiency as is attributable to the cost of restoration of the common elements, and against the individual unit owners for that portion of the deficiency as is attributable to his individual unit; provided, however, that if the Board of Directors finds that it cannot determine with reasonable certainty the portion of the deficiency attributable to specific individual damaged unit(s), then the Board of Directors shall levy the assessment for the total deficiency against all of the unit owners in

proportion to the unit owners' share in the common elements, just as though all of said damage had occurred in the common elements. The special assessment funds shall be held by the Association and added by said Association to the proceeds available for the repairs and restoration of the property.

(6) In the event the insurance proceeds are insufficient to pay for the cost of restoration and repair, or in the event the insurance proceeds are insufficient but additional funds are raised by special assessment within ninety (90) days after the casualty, so that sufficient funds are on hand to fully pay for such restoration and repair, then no mortgagee shall have the right to require the application of insurance proceeds as to the payment of its loan, provided, however, that this provision may be waived by the Board of Directors in favor of any institutional first mortgagee upon request therefore, at any time. To the extent that any insurance proceeds are required to be paid over to such mortgagee, the unit owner shall be obliged to replenish the funds to be paid over, and said unit owner and his unit shall be subject to special assessments for such sum.

(b) "Very Substantial" Damage:

As used in this Declaration, or any other context dealing with this Condominium, the term "very substantial" damage shall mean loss or damage whereby three-fourths (3/4) or more of the total unit space in the Condominium is rendered untenable, or loss or damage whereby seventy-five (75%) percent or more of the total amount of insurance coverage placed as per Paragraph 17(a) hereinabove becomes payable. Should such "very substantial" damage occur, then:

(1) The Board of Directors of the Association shall promptly obtain reliable and detailed estimates of the cost of repair and restoration thereof.

(2) The provisions of paragraph 17(a) hereinabove shall not be applicable to any institutional first mortgagee who shall have the right, if its mortgage so provides, to require application of the insurance proceeds to the payment or reduction of its mortgage debt. The Board of Directors shall ascertain as promptly as possible the net amount of insurance proceeds available to restoration and repair.

(3) Thereupon a membership meeting shall be called by the Board of Directors of the Association, to be held not later than sixty (60) days after the casualty, to determine the wishes of the membership with reference to the abandonment of the condominium project, subject to the following:

(aa) If the net insurance proceeds available for restoration and repair, together with the insurance proceeds paid over to the institutional first mortgagees, are sufficient to cover the cost thereof, so that no special assessment is required, then the condominium property shall be restored and repaired, unless one hundred (100%) percent of the total votes of the members of the condominium shall vote to abandon the condominium project, in which case the condominium property shall be removed from the provisions of the law, pursuant to the Condominium Act, Chapter 711.16, Florida Statutes, 1967.

(bb) If the net insurance proceeds available for restoration and repair, together with funds advanced by unit owners to replace insurance proceeds paid over to the institutional first mortgagees, are not sufficient to cover the cost thereof, so that a special assessment will be required, then if seventy-five percent (75%) percent of the total votes of the members of the condominium vote against such special assessment and to abandon the condominium project, then it shall be so abandoned and the property removed from the provisions of the law pursuant to the Condominium Act, Chapter 711.16, Florida Statutes, 1967. In the event seventy-five percent (75%) percent of the total votes of the members of a condominium vote in favor of a special assessment, the Association shall immediately levy such assessment, and thereupon the Association shall proceed to negotiate and contract for such repairs and restoration, subject to the provisions of Paragraph 3(a)(3)(4) above. The special assessment fund shall be retained by the Association and added to the proceeds from insurance available for the repairs and restoration of the property.

The proceeds shall be disbursed by the Association for the repairs and restoration of the above property as provided in Paragraphs 3(a)(3) above. To the extent that any insurance proceeds are paid over to such mortgagee, and in the event it is determined not to abandon the condominium project and to vote a special assessment, the unit owner shall be obliged to replenish the funds so paid over to his mortgagee, and said unit owner and his unit shall be subject to special assessment for such sum.

(4) In the event any dispute shall arise as to whether or not "very substantial" damage has occurred, it is agreed that such a finding made by the Board of Directors of the Association shall be binding upon all unit owners.
